Dear Mr. Mills,

The Association offers Internal Dispute Resolution (IDR) to explain that the Association intends to disqualify you as a candidate for election to the Board of Directors because the Association can't renew its D&O policy due to your prior financial misconduct and misdemeanor if you were to be elected to the Board of Directors. Before the Association makes a final determination regarding your disqualification, you are being provided the opportunity to participate in IDR.

The Board is able to meet for IDR with you generally with 24-36 hour notice most days between Sept 2 and Sept 10. The meeting should be held no later than Sept 10 (Thur) before midnight.

The Board designates Mark Reynders to represent the Board.

Please reply to this email with the date(s) and time(s) you are available?

Sincerely,
Cantrice Court COA Board of Directors

You have stated that you are the Board's designated representative but that Mr. Jones will also attend.

Please state whether Mr. Jones is attending as an additional Association representative, a person assisting you, a witness, or a director who may later participate in my statutory appeal to the full Board.

I will attend IDR and participate in good faith.

I do not agree that the Association has established lawful grounds for disqualification. Nothing about my participation constitutes consent to the Association's characterization of the facts, acceptance of the proposed disqualification, waiver of my candidacy, or waiver of any rights or remedies.

If the Association issues an adverse IDR resolution that I do not agree to, **I expressly preserve my right to appeal the matter to the full Board under Civil Code section 5910.**

Please also preserve all insurer, broker, underwriting, management, Board, and counsel communications concerning my candidacy, my 2025 Board service, the 2025 and 2026 insurance renewals, and the proposed disqualification.

Mr Mills,

You have invoked IDR by accepting the Associations offer for IDR to discuss the Association intending to disqualify you as a candidate for election to the Board of Directors because the Association can't renew its D&O policy due to your prior financial misconduct and misdemeanor if you were to be elected to the Board of Directors.

During IDR, the parties explain their positions to each other and discuss in good faith to resolve the dispute.

The Association consulted with legal counsel, checked with insurance companies, intend to disqualify you and offered IDR to you, which you accepted/invoked.

IDR is meant to be between the member and the Board designated person(s). Mark Reynders is the designated person. Board member David Jones also plans to attend. Association counsel is not attending. Please notify us in advance of the IDR meeting if your legal counsel will be attending, or if anyone else will be attending with you.

The basis for disqualification includes:

1. The following statements from underwriters:

> a) I have heard back from both the D&O and Crime underwriters at Philadelphia. If this person is elected to the board, they will need to let us know. If that happens, the D&O policy will not be cancelled but will be non-renewed, and on crime policy he would be excluded.
>
> b) Since the insured is aware of the misdemeanor conviction for forgery related to this individual's prior service on the board, this person would need to be excluded from coverage under the policy. If he or she is elected to the board, please provide their full name so that we can add the appropriate exclusion endorsement to the policy.

2. The Association must have D&O insurance per Civil Code Section 5800.

The Association intends to disqualify you as a candidate for COA Board of Directors because the Association can't renew its D&O policy due to your prior financial misconduct and misdemeanor if you were to be elected to the Board.
